**Addendum to Arbitration Agreement**

By the Grace of G-d, \_\_\_\_\_ 5772

We, the parties signed hereinafter, on our own behalf and on behalf of all principals, on behalf of Bobov congregations and institutions throughout the globe, and on behalf of all public corporations that were created for the benefit of Bobov congregations and institutions throughout the globe, admit with a complete admission, and the signature by our hand shall bear witness upon us more effectively than one hundred qualified and trusted witnesses with reference to all that is written and detailed below.

A number of years ago we performed a binding procedure and signed an arbitration agreement, on our own behalf and on behalf of all principals, on behalf of Bobov congregations and institutions throughout the globe, and on behalf of all public corporations that were created for the benefit of Bobov congregations and institutions throughout the globe, before the following Rabbinical Judges: Rabbi Yitzchak Berger, who was selected by the plaintiffs party; Rabbi Yekusiel Zalmen Graus, who was selected by the defendants party; and Rabbi Yechiel Babad, Rabbi Yitzchak Chaim Zeltenreich, and Rabbi Abraham Baruch Rosenberg, who serve as *Shalishim*<sup>1</sup> casting the deciding votes.

At this time, in the midst of deliberations by the Rabbinical Judges, one of the Rabbinical Judges wants to participate in deliberations via telephone, without being present in person. We hereby expressly accept the aforementioned Rabbinical Court with the fullest validity of the arbitration agreement we signed, even though some of the Rabbinical Judges participated and/or will participate in deliberations via telephone and without their presence in person.

All of the above was entered into through a complete *Agav Suder* binding procedure, performed with an object that is appropriate for binding purposes, effective immediately [i.e. at the time of the *Suder* binding procedure], before a distinguished Rabbinical Court, in addition to other binding procedures and methods in a manner most effective according to our holy Torah, [in a manner that does not constitute merely a verbal acquisition or a simple assurance or any deficiency whatsoever], with the seriousness of binding procedures and stipulations that are conducted as regulated by our sages of blessed memory, neither as a simple assurance nor as a standard form of contract; it is all confirmed and established.
